

## Equipment Operator Position Available:

We are looking for an Equipment Operator experienced running wheeled and track equipment (Loader & Excavator/hoe equipment).

The Equipment Operator will be working with Pipe Crews on infrastructure projects including Storm Sewer, Water / Wastewater and is responsible for operating a variety of heavy equipment.

The Equipment Operator must also perform daily safety checks and maintain equipment performance by checking vehicle fluid levels and adding correct fluids as necessary.

## Job Responsibilities:

- Safe and efficient operation of heavy equipment in tight spaces and around people and other trades.
- Follow all relevant local, state, and federal regulations and all company policies and procedures while operating equipment
- Perform daily maintenance and safety checks of assigned equipment. Clean, lubricate and refill correct fluids as necessary
- Effectively work with ground personnel in excavation and installation process of laying pipe on line and grade and efficiently load dumpsters
- Ensure trench is excavated to the proper depth/grade
- Responsible for placement of water, storm and sanitary sewer pipe in excavation
- Follow directions of ground crew regarding craning, gravel placement and grading
- Work with high efficiency to ensure production is on schedule
- Conduct trench work meeting OH&S requirements
- Report to foreman
- Train and supervise new employees
- Perform any other duties as requested

## Job Requirements:

- At least 1 year verifiable experience preferably in and around infrastructure projects including Storm Sewer, Water / Wastewater.
- Valid Driver's License and/or reliable transportation
- Must pass a drug test
- Must have in-depth knowledge of safety requirements and guidelines and practice safety first attitude
- Must be willing to work weekends and/or nights when necessary
- Team player with professional and courteous attitude to supervisors, co-workers and the general public
- Ability to make quick decisions and solve problems
- Good physical condition, must be able to work in heat for 8 hours and lift 50 lbs
- Bilingual a plus

Benefits:

- Competitive wages based on experience
- Health care benefits (after probationary period)
- Paid Vacation and holidays (after probationary period)

BCU is an Equal Opportunity Employer, offers competitive wages and paid health benefits.
